MYSORE BAR ASSOCIATION AND DT. BOARD ELECTION.

A Voter writes:—

A member for the Mysore Bar Association is to be elected to the District Board on the 12th instant. Three members have stood as candidates for election, They have been each alloted a symbol (I) Lion (2) Elephant (3) Horse.

The electors of this constituency are Advocates and Pleaders who are educated and it cannot be said that they do not know how to read the names of the Candidates. It is very curious, if not ridiculous, to see that the Candidates are to be identified by the symbols they represent. Is it that the voters will be impressed one way or the other with the symbols of different species of animals whom they represent

2) The D.C could have used his discretion & dispensed with the symbols in this Case if there was known of had any offence is necessary. Dist Magte.

3) In order to have uniform practice the rule was adopted from Bombay.

4) In order to exempt the rule from operation in such literate Constituencies, discretion may perhaps be given to the DC by using the words if necessary in Rule 17 (2) after the word "Shall" and before the word assign" But there is the risk of the DC omitting the Symbols even in deserving Constituencies the only remedy seems to be to reserve the discretion in Government.
